Wet settled Weather Squally at times a very confused Sea the Ship making Salt Water – ½ past 8 P.M. a Ship passed close to Windward of us being Squally & Dark could only distinguish her to be a French Ship N.B. Opened the after Hatches & found the Pepper in the Hold in good order then opened the main Hatch found the Pepper much shrunk & that from the Fore Ship to the Larboard side & from the Starboard side to the shifting Boards it had settled badly over Employed trimming it back to Starboard and securing it in the best manner possible
